Batman on Building (BTAS)

Version 1.0 (2/9/2022)

Pattern by Amy Albin (strangequilting.blogspot.com)

This block should be a 12x12 inch block finished. There are ¼ inch seam allowances. There are a total of 5 colors. There are several sections that come together to create the block. Enjoy! I have included a version of the pattern with color indicators and one without. For personal/non-commercial use only. If you have any questions or comments, please email me oddetsy@gmail.com
