Sally from The Nightmare Before Christmas

Version 3.0 (2/19/2020)

Pattern by Amy Albin (strangequilting.blogspot.com)

This block should be a 12 inch block finished. There are ¼ inch seam allowances. There are a total of 12 colors. There are several wedges that come together to create the block. You can embroider or draw on the details of the face after construction. Enjoy! For personal/non-commercial use only. If you have any questions or comments, please email me oddetsy@gmail.com

Note: I made a small fix to M (straightening the seams for easier construction). The suggested embroidery details and piecing map images are from before fixing, but the detail image of the face is post fix.
